

Laurie Cole set for debut

LAURIE COLE, the goalkeeper transferred from Chesham United last week, stands by to make his debut for Wycombe Wanderers tonight (Tuesday), when the Blues take on Molesey in a friendly (K.O. 7.30 pm).

Cole, a young and agile 'keeper, produced several fine performances against Wanderers for Chesham over the last few seasons and could well be challenging John Maskell for the goalkeeping jersey this season.

Wycombe are expected to give a run out to Paul Griffiths their young full back and also Dylan Evans, who has been substitute recently. Two other players, Gavin Black and Dave Alexander, should also be playing. Alexander, a midfielder, was in the Wanderers team that beat Witney Town in one of the friendlies, while Black has been training with the Blues and will fill one of the defensive roles.

This match, arranged only on Saturday, is one of the five games to which members will be admitted free. At the club's A.G.M. it was decided that members would be allowed in free of charge to five friendlies which would be taking the place of the Premier Midweek

Floodlight League fixtures.

Molesey have made a fair start to their Athenian League, Division Two campaign and their most recent result was a 1-1 draw at Hemel Hempstead. There will be a couple of

familiar faces in the side in John Connell, who joined them after a lengthy spell with Hendon. Connell, in fact, played against Wanderers in the Amateur Cup semi-final at Brentford. Dave Yerby, a former Slough player,

is also with the club.

In Saturday's match at Hemel, two players received bad leg injuries, Allen and Long, who both had to have their injuries put in plaster after the game.

Dave Bullock slides in too late to stop Les Peck pulling back Tooting's goal with this shot on Saturday.
